## **"What does God Want? Living the Commandments" Mini-Course Course Description - Dates and Schedule of Topics**

**"What does God Want? Living the Commandments" is a 7-week Mini-Course that offers teaching and reflection on the 10 Commandments. During Lent we are called to reflect on our lives and on our relationship to God and to others. God's commandments guide our actions and our hearts as we make our way through the trials of life. Our young people are bombarded with troubling messages everyday. This course will help to give them the tools that they need to make good decisions based on our most basic guide (rules): The Ten Commandments. This program is a supplement to our GOLF program.**
